Dos Pueblos Cross Country

Dos Pueblos Cross Country is a high school athletic team with high integrity and high standards and is going into the 2017 CIF high school cross country season with intention of both high levels of growth for all its student athletes and high level of competition in the Channel League and CIF. Runners are good students, and we have seen this with our runners grades and choices of classes, many doing well in mathematics and sciences and Dos Pueblos Engineering Academy. And we have several talented runners who have gone on to join college teams competing in NCAA and NAIA in cross country and track. We are looking for sponsors to help us with team expenses such as uniforms, travel, entry fees, and coaches stipends. If you or your organization would like to help us, we would greatly appreciate it. We offer two ways of letting the world know you support us:

1. Placing your logo on the t-shirts we will sell at the Dos Pueblos Invitational high school cross country meet at Santa Barbara's beautiful Shoreline Park on Friday, September 29. There will be up to 1000 high school runners competing in grade level races. Teams will come from Santa Barbara and the nearby area, such as Lompoc, Santa Maria, Ventura, as well as teams coming from Los Angeles area and farther to enjoy racing in a beautiful setting.
2. Having your logo displayed on a banner at Dos Pueblos stadium where it will be seen year round by spectators at football, soccer, lacrosse games, and track and field meets.

If you like the first option (logo on DPI shirts), please send a check for \$300 (or more) payable to:

Dos Pueblos High School
Attn.: Cross Country
7266 Alameda Avenue
Goleta, CA 93117

And send your logo via email to Rod Farvard: rfarvard@hotmail.com

Logos must be received by September 15 so they can be included in the designs for the shirts.

If you like the second option (banner at Dos Pueblos stadium), please see the attached form, which can also be found at www.dphsa.org/forms

Donations are tax deductible.

If you have questions please contact the Dos Pueblos Cross Country coaches:
